Conference location: Abercrombie Building, The University of Sydney Business School

The Discipline of Finance at the University of Sydney Business School would like to invite submissions for the 2024 meeting of the Sydney Banking and Financial Stability Conference (SBFC). Our primary objective in organising this conference is to foster a platform where international academics can gather, interact, and exchange their latest insights in Banking, Financial system stability, and other topics within the traditional and emerging fields of Finance. By facilitating this forum, we aim to prioritise collaborative endeavours to address the most pressing and contemporary issues concerning banking and financial stability. Furthermore, we aspire to contribute to public policy discussions on enhancing our collective framework and fortifying the financial system's resilience for the future.

# **Keynote Speaker**

Professor Ron Masulis
 Scientia Professor, University of New South Wales, Australia

# **Conference Convenor**
